- ✘ The UK qualifications hold **international recognition**. Thus, the students pursuing their studies in the UK stand better chances of being employed in the leading industrial sectors.
- ✘ The UK educational institutions feature the **best quality standards**. The British qualifications are recognized and respected throughout the world, as they serve to be a solid foundation for building future, boosting career and increasing prospects for a better career.
- ✘ According to the new guidelines laid by the UK government, educational institutions have to be equipped with a **license from the UK Border Agency (UKBA)** specifying that they are eligible to sponsor foreign candidates. Thus, the educational universities and the colleges take full responsibility of the foreign students, studying in UK.
- ✘ The educational Institutes in the UK speak of the **best of infrastructure and resources**.
- ✘ **Wide Choice** of Universities & Colleges offering various courses.
- ✘ **Practical oriented courses** combining work component into the study program offering cutting edge knowledge and expertise along with the hands on experience in the student's area of study.
- ✘ The Visa regulations permit a student, on a student visa of more than 6 months duration, to work **20 hours a week part time** and 40 hrs a week full time during vacations.
- ✘ Several UK institutes offer numerous **scholarships and bursaries** to the international students. Also, student discount facilities are provided free through National Union of Students membership. Thus, the students are easily able to afford their education.
- ✘ The National Health Service provides almost **free Health insurance** to the students, who are studying in the UK for six months or more.
- ✘ The students, in the UK, are permitted to stay for **two years post study work permit**, after the completion of their Masters degree/Bachelors degree/PGCE anywhere in the UK and an HND from a scottish institution and they could work full time during this period.
- ✘ The international students get to experience an invaluable **multi-cultural environment**. The UK culture ensures that all international students are welcomed into a receptive and sensitive climate. The respect and acceptance of the international students in the UK's stable and tolerant society makes it a perfect place to study
